

## SOME GOOD SHOOTING.

Private Elvin Leads the Team  
with a Fine Score.

## THE GOOD SHOTS FALL DOWN.

Wind Interferes with the Shooting.  
The Average Good Enough to Stand  
By—Probabilities of the California  
Team—Hawaii Has a Chance

SHOOT BE-  
tween Na-  
tional  
Guards-  
men of San  
Francisco  
and Honolu-  
lu is an inno-  
vation. The  
National  
Guard of Hawaii men have finished  
their shoot on this side of the water,  
and now they are awaiting anxiously  
the result of the shoot of the Califor-  
nia Nationals, on the other side, news  
of which will be brought by the  
steamer of February 21st. The N. G.  
H. men are confident that their total  
number of points (200) will be above  
that obtained by the California team,  
and they are resting lightly on their  
arms with that assurance firmly  
fixed in their minds. It was the  
opinion of several persons heard talk-  
ing on the streets Saturday night  
after the shoot here, that the Califor-  
nians would make ten points more  
than the Hawaiians. The remark  
was repeated to members of the team  
Sunday and was not immediately  
prompted to bet two to one against  
any such result.

There were many disappointed people Saturday when it was learned that  
forty-five was the highest made, when  
that score had been beaten on just the  
day previous, but all those who were  
in attendance at the range were sur-  
prised that such good scores were  
made. It will be remembered that  
the day was a squally one, with fre-  
quent changes from shadow to sun-  
light and puff of wind when least  
expected or desired. On Friday no  
such condition existed.

The men stood up in their places  
when their turns came with a deter-  
mination to do their best for the honor  
of the N. G. H. The feeling was not  
that of outdoing any member of mem-  
bers in the local team—it was to sim-  
ply down the California team as a  
whole and secure the glory for the  
little Republic.

Some of the men who have stood  
high in other shoots fell below the  
mark on Saturday, but they should  
let the thought that they did their  
best take precedence over any feelings  
of regret or chagrin.

Those who attended Makiki butts to  
witness the shoot were all people di-  
rectly interested in such matters, so,  
of course, enthusiasm was by no  
means lacking. All the points of ad-  
vantage and disadvantage of the day  
were weighed carefully and each shot  
was looked for with as much interest  
as the outcome of the whole shoot.

Following is the complete score of  
the shoot, with total number of points  
and averages for the first ten and  
twenty-five men respectively:

Co.	NAME.	SCORE.	TL.

Average of first ten men	43.8		
Average of first twenty-five men	42.24		
Average of team—fifty men	40.15		

According to Creedmore rules, Private Elvin of Company B carried off the honors of the day with a score of 45. Corporal Neely of Company E came next with 45. W. C. King, Col. Fisher and Sergeant Moore and Corporal Lohman of Company E followed in the order named, each with a score of 44. Four men made 43 apiece, four 42, ten 41, eight 40, seven 39, four 38, four 37, one 35, one 32 and one 32. Private Burnett had extremely hard

luck. His second shot failed to hit the target at all. The bullet being a split one was spent before reaching the target. Upon most people such luck would have had the effect of making the next shot a disappointing one, but Burnett was very and it proved a large-sized bull's eye; then followed five 4's and two 5's. Although the result of 39 made by Burnett was extremely disappointing, still he has the satisfaction of know-  
ing that the score was a good one under the circumstances.

Another disappointing result was the thirty-nine made by Adjutant-General Soper, but when it is taken into consideration that he had an entirely strange gun, with different ammunition and a variation in sights,

J. H. FISHER, CAPTAIN OF TEAM.  
TOTAL 44.

the fact that such a score was made is not at all surprising. In fact, the result was a good one under the circumstances.

Taken all in all, the first-shoot of the N. G. H. with a foreign team was a grand success and reflects a great deal of credit on Colonel McLean for procuring the challenge from the California Nationals, upon Colonel Fisher for his excellent management of affairs in connection with his office

PRIVATE ELVIN, CO. B. TOTAL 45.

as captain of the local team, and upon the men individually for their interest in the affair and their keen desire to uphold and surpass the standing of the N. G. H.

The California have two companies consisting of two hundred men. In a scrub match among thirty men at their range about three months ago the scores ranged from 15 to 43, but as these men did not constitute the shooting team it is not fair to con-

CORP. NEELY, CO. E. TOTAL 45.

sider those scores an average of what the California team will do. Col. Fisher expressed himself as well satisfied with Saturday's result. As to what the California boys would do he thought it would be a difficult thing to guess. He believed it was the toss of a copper which team would win.

## NEWS NOTES OF MAUI.

"Opium" Brown in Town—Other Personal Notes.

MAUI, Feb. 8.—The Salvation Army held their first meeting in Makawao, at Hamakapoko last night the 7th.

"Opium" Brown has been frequently seen in Wailuku since Wednesday the 5th.

Col. K. W. Cummings and Mrs. Seabrook visited Haleakala last week.

Miss Harriet Lewers of Honolulu is at Mrs. F. L. Carter's, Wailuku. Mrs. Carter is quite sick.

The January meeting of the Makawao Literary Society is postponed till the last of the present month.

John T. Baker of Hilo is in Kula. He came to attend the funeral of his relative Kanealii who recently died.

Mrs. Scott, the wife of Honolulu's police captain is visiting in Wailuku.

Miss May Baldwin is again at her brothers' residence in Lahaina. Weather—Generally pleasant with few showers.

## IN BOATING CIRCLES.

Talk About Yachts—Preparations for a Race.

Boating circles are all on the move again, anxious for a good showing in the next regatta. Each one of the clubs has been busy with arrangements by which their respective interests can be furthered. The spirit of rivalry, which is always the incentive to good hard work, is more marked than ever, and there is little doubt that the coming regatta will be one of the hardest fought in the boating history of the country.

Sunday afternoon both the Myrtle and Healan club houses were filled with members and their friends anxious to become once more used to the quarters and to watch the various crews in their initiatory efforts of the season.

The Healanis sent out three crews and the Myrtles one. The former have been at work for some time.

The Myrtles will get down into training this week. Beginning with this evening the Strawberry crew, inaugurated soon after the club was organized, will pull out on the bay as a starter for the other crews to follow.

The Myrtles have had their boat house fixed up for the regular training season. The "Stranger" has been repaired and entirely renewed. She is twelve years old, but she looks as good as new. The new boat has been lifted from the floor and hoisted up on the walls.

The Healanis are making arrangements to have the old king's boat house fitted up as their training quarters. As soon as they have completed these they will get down to work for the regatta.

Yachting seems to be claiming the attention of many in boating circles. It is learned on good authority that a race is to take place soon between the new yacht built by Mr. Balls for Clarence Macfarlane, the "Coral Queen," owned by Charles D. Walker, and the iron-heeled yacht owned by Captain Graham of the ship W. F. Babcock.

It is supposed that the "Edith L." will have a place in this race and Bill Williams is not going to be behind time in placing his yacht "Pokii" among the number.

Such a race as the one proposed would be highly satisfactory to yachting enthusiasts, and would prove a bright spot in the record of sporting events of the year.

## A WONDROUS CHANGE.

The Story of a Young Lady in Smith's Falls.

Her Health Was Badly Shattered—Suffered From a Bad Cough and Constant Pain in the Side—Pale and Almost Bloodless—Her Health Again Restored.

From the Smith's Falls Record.

"I know that if I had not begun taking Dr. Williams' Pink Pills I would not have lived much longer." These words were uttered by Miss Mossop, daughter of Mr. Johnston Mossop, of this town, and a young lady extremely popular among her friends and acquaintances. Miss Mossop had been ill for years, and her recovery to health is a matter of general rejoicing among her friends. To a reporter she gave her story as follows: "I scarcely know how my illness began. The first symptom was a feeling of tiredness upon the slightest exertion. The color left my face and I became as pale as a corpse. Then I was attacked with a pain in my left side and coughed a great deal. At first home remedies were tried, but as they did not do any good a doctor was called in, and I was under his care for about a year. But the treatment did not do me any good, and I was steadily growing weaker and weaker. I was unable to go upstairs without having to sit down and rest when I got there, and the pain in my side became more and more intense. I kept wasting away, and lost all interest in life, and at last was so low that recovery was not expected. At this juncture my mother saw an article in a newspaper relating the cure of a young lady whose case was almost identical with my own, and whose cure was due to Dr. Williams' Pink Pills, and this prompted a trial of that medicine. By the time a couple of boxes were used there was a feeling of improvement and I continued using the Pink Pills, until I had taken nine boxes, all the time gaining rapidly until now I feel that I have recovered my old time health. I can now walk a long distance without being tired, and I am no longer troubled with that terrible pain in my side. My appetite has returned and I can now eat almost as much as any member of the family, and I know that had I not taken Pink Pills I would not have lived much longer."

Mrs. Mossop says she cannot express the gratitude she feels toward this grand medicine which has restored her loved daughter's health, and will always speak of it in terms of praise. Dr. Williams' Pink Pills are especially valuable to women. They build up the blood, restore the nerves, and eradicate those troubles which make the lives of so many women, old and young, a burden. Dizziness, palpitation of the heart, nervous headache and nervous prostration speedily yield to this wonderful medicine. Dr. Williams' Pink Pills are sold by HOLLISTER DRUG CO., wholesale agents for the Hawaiian Islands and all dealers in medicine.
